Rule 90 *A.*—

(*i*) A penalty not exceeding 1/8th of the amount of Land Revenue overdue may be levied for non-payment of any instalment thereof within the time prescribed.

(*ii*) Deputy Commissioners and Sub-Division Officers will have the power to impose this penalty. The actual amount to be levied, will be fixed at their discretion.

(*iii*) The penalty imposed may be remitted, partly or fully, if the officer imposing it afterwards finds that the occupant's failure to pay punctually, was due to inability, and not to wilful neglect (or contumacy) in spite of ability to pay.

(*iv*) When such a penalty is imposed, the amount will be brought on demand, and a note of the penalty will also be made in the processes that issue to the party for collection.

(*v*) This penalty is leviable not only on Government lands but also in the case of alienated villages, and in cases where assistance is given by the Revenue Officers for the recovery of revenue or rent due to holders of alienated villages or superior holders from inferior holders, under Section 97, Land Revenue Code, when the Deputy Commissioner may consider that the superior holder is entitled to something more than bare rent.
